# HAKKIMIZDA ABOUT US

Tepe Marble 2005 yılında Afyonkarahisar İscehisar da kurulan fabrikası ile kurulduğu günden bu yana kaliteli hizmet vermeyi ilke edinmiş bir şirkettir. Bu sayede üretimdeki kalitesini ve kapasitesini müşteri memnuniyetini de göz önünde bulundurarak sürekli büyümekte olan bir firma olmuştur. Her renk traverten çeşidini işlediğimiz fabrikamızda yer döşemesi ve cephe kaplaması olarak kullanılan her türlü yüzey işlemleri yapılmaktadır.

Bunun yanı sıra Anadolu'nun doğal zenginliklerini içinde barındıran çeşitli renklerdeki kendi ocaklarımız dan veya üretimimiz dışında istenilen birçok ürünü Tepe Marble kalitesi ile tedarik edip işleyip siz değerli müşterilerimizin hizmetine sunmaktayız.

Tepe Marble is a company that has adopted the principle of providing quality service since its establishment in 2005 with its factory established in Afyonkarahisar Iscehisar. In this way, it has become a company that is constantly growing by considering its quality and capacity in production and customer satisfaction. In our factory where we process every color travertine type, all kinds of surface treatments used as flooring and facade cladding are carried out.

In addition to this, we supply and process many products requested from our own quarries in various colors that contain the natural richness of Anatolia or outside our production with Tepe Marble quality and offer them to the service of our valued customers.
